
Name : Rajan Bhandari

Address : Dang, Nepal | +977-XXXXXXX |

Email : rajanbhandari4541@email.com

I am a BCA student with one year of web development experience, skilled in HTML, CSS, JavaScript, and WordPress. My passion lies in creating visually appealing, user-friendly websites. Whether it's coding from scratch or customizing WordPress, I excel in crafting strong online presences.

I bring graphic design, problem-solving, and effective communication skills to the table. I'm eager to contribute my expertise and enthusiasm to your projects, optimizing websites for performance and making a mark in the digital landscape.
